

BABS Harmony Store Price List August 2018

Music and Copyright	Members Price
<p>Copyright for US music. The copyright situation means that only about 5% of arrangements in the BHS catalogue are available to buy directly.</p> <p>BABS Music Advice Service (MAS) can get hold of a reference copy of any BHS or BABS music for members to review prior to gaining copyright cover. There is no distinction between what was called (and still is in the USA) published and unpublished music.</p> <p>The price shown here is therefore a range covering what can be achieved buying the copyright from the UK owner of the print rights. Note that for 'unpublished material from BHS or BABS arrangers there may also be an arrangers fee.</p> <p>MAS contact musicadviceservice@singbarbershop.com</p>	<p>£ 1.50 to £ 3.00</p>
